What LightWave Solar customers are saying...

4.14 kW in Summertown, TN

"I am very pleased with their product and their service. This is one of the best things I have done in a number of years."

-Alan Graf, Attorney at Law (October 2009)

5.40 kW in Cookeville, TN

"Working with your team was a very positive experience. Each member shared our environmental ethic and was a courteous, good worker. Thanks for helping us reduce our carbon footprint."

-Gordon and Gene Anne Hunter, Hunter residence (February 2009)

14.72 kW in Franklin, TN

"Franklin is proud, and you should be proud of your entire team. I appreciate the education [Steve] gave me, Gary's "can do" attitude, Karl's focus and Grace for her good cheer and nice, calm voice and demeanor. Much appreciation!"

-Karen Cochran, Five Points Properties (July 2009)

16.56 kW in Somerville, TN

"I appreciated the professional way your team handled their work this week. Your team has excellent job site manners, and it really represents the quality image."

-Steve Denton, Denton residence (August 2009)

3.87 kW in Nashville, TN

"We are very happy with our system and people still ask about it a couple of times a week."

-Lisa Calfee, Calfee residence (September 2009)
